Dear Art Camp Sponsor,

On behalf of the many families whom your donation supports, let us thank you for your generous gift of Art Camp Sponsorship. For every \$75.00 you donate, one child can attend one week of camp either in the morning s or afternoons. Part of our sponsorship fund will be utilized to create a camp in Amesville to create more opportunities for exposure to the arts in that community. Sponsors like you make the difference in the lives of these children and allow them to experience the arts in depth. With your donation, you are providing children with the opportunity to explore the arts as well as make new friends, develop critical thinking and leadership skills, and build life-long cherished memories of their time at camp, and of growing up an Athenian!

To make your sponsorship gift, please fill out the information below and mail with your check to the Dairy Barn Arts Center. You will be sent a thank you notice/receipt for your generous contribution. Thank you for supporting the Dairy Barn and the children of our community!
