

Summer Art Camp 2020 @ Home Theme Packages!

If Campers can't come to the Dairy Barn this Summer, the Dairy Barn will just have to come to our Campers! We have created 16 packages, one for each of the Themes we had planned out before the Covid-19 Pandemic changed our plans. You can sign your camper up for as few or as many packages as you want. Theme packages will be available for pickup or delivery on a weekly schedule. On the Saturday before each Theme week from 1:00-3:00, we will have packages for campers boxed and ready. Cars can drive up to the Dairy Barns front doors and pick up their packages from a Dairy Barn employee, or retrieve them from a designated walk-up area. We will follow all health and safety best practices and recommendations including gloves and masks, and packages will be prepared and sealed for 48 hours before pickup. Each package is designed to be used by one camper.

Regardless of how many, upon the first order, each camper will receive a "welcome box" filled with brand new art-making materials that will be used repeatedly through the summer and your camper can keep to-use on her or his own projects!

Each package will contain:

- 2 engaging art-making activities
- All the materials to complete each activity minus commonly used items which will be in the camper's "Welcome Boxes"
- Extra activity suggestions
- Links to a "more to explore" set of kid-safe websites
- Additional enrichment materials
