

## Dairy Barn Pottery Wheel Rental Agreement Details

### Price Structure

- \$100 per 2 week rental
- \$100 deposit
- \$50 per week rental extension (*Purchase 4 weeks and get a 5th week Free!*)
- \$25 additional late fee per week of non-payment of rental extension
- Signs a copy of the [Rental Agreement](#) at pick-up.

### Rental includes

- 1 Brent Model C Pottery Wheel
- 1 pottery wheel stool
- 40 minute phone/video consultation with Studio Manager to assist in set-up and use if needed.
- [Informational packet](#) about set-up, and best practices for clean-up and clay use at home.

### Considerations

- Wheel weighs 117 lbs.
- Wheel Dimensions: 21" W x 28" D x 21 1/2" H
- Please make a plan for easy pick-up of equipment by measuring the space in your vehicle to be sure the wheel will fit.
- Two people and proper lifting techniques should be used when moving to prevent injury. Dairy Barn staff can assist when you pick up equipment but please consider who will help you install the wheel at your home.
- Dry clay dust creates airborne silica that is a respiratory hazard. Proper cleaning and material handling procedures should be used for health and safety.
- Safe operation of a wheel requires a grounded electrical outlet in an indoor space.
- Regular Open Studio glaze/firing fees will be applied to work that wheel-renters make at home and bring back to The Dairy Barn to be fired.
- Clay can be purchased from The Dairy Barn for use at home. ([See additional info.](#))
